

Service and luxury for pets: Dominic Crosby, a vet for all occasions.

Calling Dr Doolittle

PET CARE

AS the sole veterinary doctor at Beverly Hills Animal Hospital, Dominic Crosby relies on word of mouth for business.

Since opening the doors in October 2008, Mr Crosby has provided the Beverly Hills community with top quality service which has landed him a spot on the business awards finalists' list.

His one-stop shop welcomes customers to bring in their sick pets, have them diagnosed and treated in one place.

"We provide a comfortable environment for our clients," Mr Crosby said.

"As a small business, our clients

will see the same faces every time they visit."

The veterinary hospital also provides cat owners with a luxury boarding suite complete with a chandelier, scratch poles and toys for those owners who do not want their animals caged.

The other finalists are: Mortdale Veterinary Hospital, Mortdale; Sydney Pet Grooming Centre, Kogarah; Dainty Dog Grooming Salon, Bexley; Blakehurst Veterinary Hospital, Blakehurst, and Hotel for Cats, Blakehurst.
